The Owl

Presented by
THE SENIOR CLASS
of
Cullison High School
Cullison, Kansas

Annual Staff

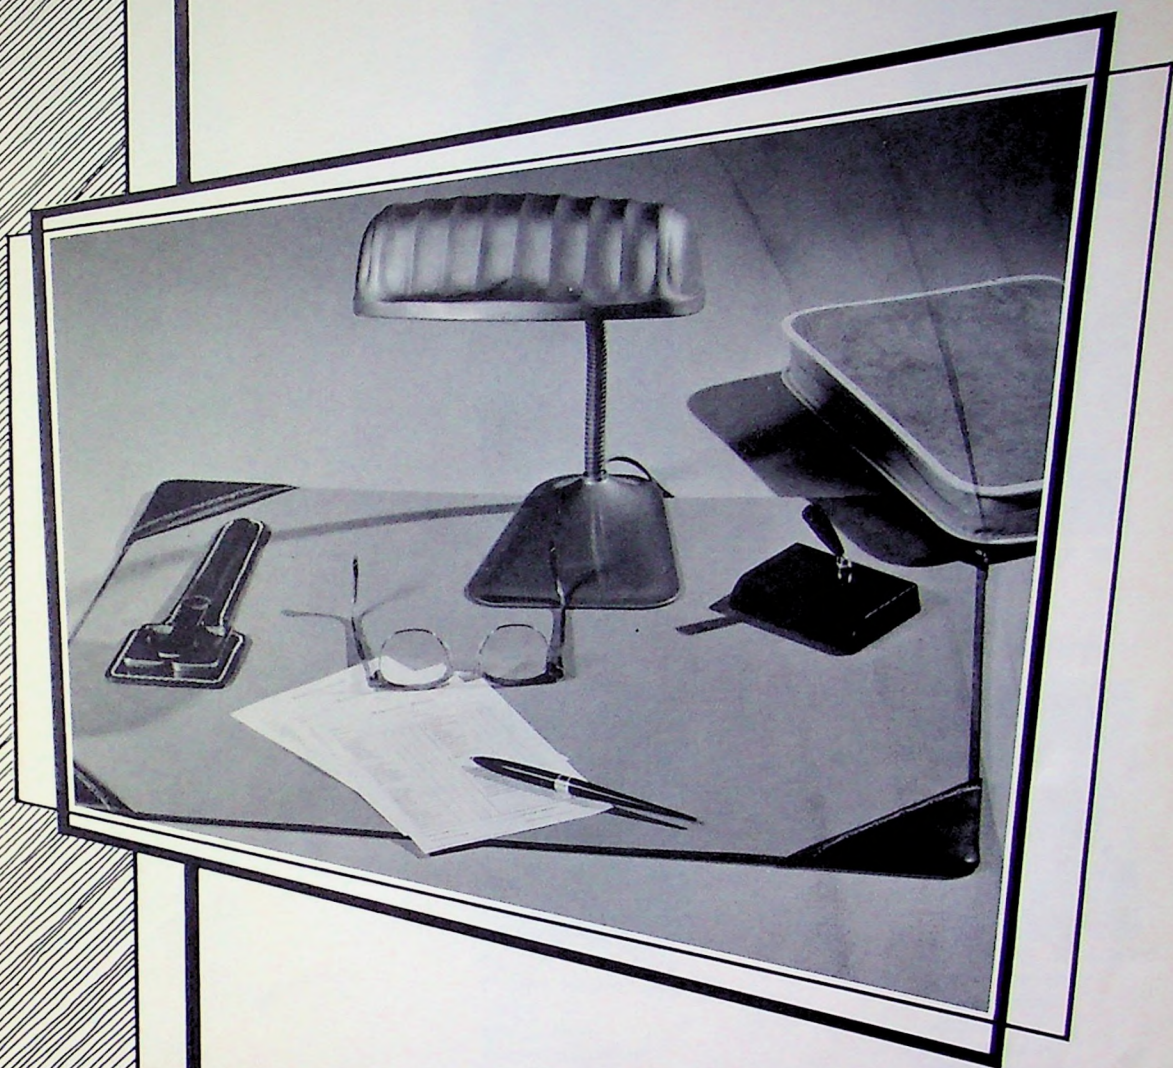

SEATED: Carolee Moore, Tonya Henry and Nancy Roberts. STAND-
ING: Phil Baker, Dale Cowen, LeRoy Winklepleck, Tommy Frazier,
Lee Bryant, and Klenton Toothaker. Mrs. Kopper, Sponsor.

Dedication

We, the Senior Class of 1958, wish to dedicate "The Owl" to our beloved parents.

With patience and loyalty they have shared our joys and our sorrows, our work and our play, our hopes and our disappointments. When we were in need, they were always ready to give us encouragement and lend a helping hand. Only in this small way can we begin to repay them for their unselfish service and untiring effort to prepare us for the future.

We the Senior Class of 1958, wish to express our sincere appreciation to our faithful class parents, Ruby Jo and Harlie, for sticking with us during our everyday problems and many pleasures. And to our class sponsors, who have been our helping hands, during our last year in high school.

In our future we know that the guidance and understanding we have received from you will serve as a beacon light in our future.

CLASS HISTORY

On a bright, sunny morning in September, 1946, eleven eager little people entered the doors leading to a phase of life called school. On hand to greet us was our teacher for the next two years, Miss Kephart. These students were: Phil Baker, Lee Bryant, Tom Frazier, Carolee Moore, Connie Bible, Ray Staats, Eugene Ferrin, Robert Hoffman, Stanley Piel, Robert Owens, and Klenton Toothaker. One of our biggest thrills was playing in a store we made.

In the second grade, many changes were made in our class. We lost Ray Staats, but gained LeRoy Winklepleck who liked our class well enough to come back and join us after being in the third grade for a short while. We also lost Robert Hoffman, but we gained Dale Cowen, who liked our class well enough to skip part of the first grade to be with us. This left our class with the same number of pupils as there had been in the first grade, eleven.

The coming of the third grade brought about some more changes in our class. We lost Stanley Piel and Roger Owens, but two girls, Nancy Roberts, and Carolyn Lofland joined us giving us eleven in our class again. Our teacher in the third and fourth grade was Mrs. Hendricks.

Then in the fourth grade, we added four students, Joan Fenimore, Karen Baker, Carol Prather, and Edward Bunyan. We lost Connie Bible, Carolyn Lofland, and Edward Bunyan. This was the year we studied bats. (Must have been a close relation ship.)

As we started our fifth year in school, we had thirteen in our class having added Glenn Miracle and Tonya Henry. Our teacher this year was Miss Jones.

Our sixth year passed with the acquisition of one new member, Wanda Phillips who brought our class up to fourteen strong. Miss Jones got married in order to put up with us, so she became Mrs. Jenkins. We gave her some gifts of canned goods one day, first making sure that the labels were off.

At the beginning of the seventh grade we had thirteen students in our class. Joan Fenimore and Carol Prather left us, leaving us with eleven members in our class at the end of the year.

This year we were getting old because we were already in the eighth grade and about to go into high school. It seems like we all had the mumps this year and Nancy missed Baccalaureate because of them. (Some of us still think she had them at Commencement.) We were eagerly looking forward to high school and being a Freshman. Those that graduated that year were: Karen Baker, Phil Baker, Lee Bryant, Dale Cowen, Tom Frazier, Tonya Henry, Glenn Miracle, Carolee Moore, Nancy Roberts, Klenton Toothaker, and LeRoy Winklepleck.

Now we were Freshmen: everyone tried to convince us that freshmen were something odd and must dress up one particular day. Some of our costumes were really something; sacks, extra-large overalls and others. Also we were very pretty with shoe polish, and lipstick all over us. Other than initiation nothing much happened outside of the basketball team going to the state.

The Sophomore year passed with Ann Jantz joining our class which gave us a total of twelve. Tonya was chosen best actress in the League One-Act Play Festival while Lee and Tom were in the Boy's Quartette. With nothing else to do we just studied hard.

Our Junior year was one of our happiest mainly because we made money at our concession stand at football and basketball games. Since our class had always been different we gave three one-act plays instead of the traditional three-act play. The highlight of the year was the Junior-Senior Banquet which we decorated in a western theme. We lost one member this year, Karen Baker who left us to get married.

The final and most important year of school was our Senior year. This was one of our most busiest years because we put out an annual, went on a sneak-day, took lots of tests, held an ice cream social, were guests of honor at the Junior-Senior Banquet, and took a trip through the north-west part of the country. Though none of us would admit it, a few of us were sad when it came time for Baccalaureate and Commencement, when we would leave behind all our good times at Cullison High School to go our various ways in the world. We lost Glenn Miracle, who joined the Navy and Ann Jantz who got married. The following graduating class of 1958, consisting of Phil Baker, Lee Bryant, Dale Cowen, Tom Frazier, Tonya Henry, Carolee Moore, Nancy Roberts, Klenton Toothaker, and LeRoy Winklepleck, with wonderful memories of the past and strong dreams for the future, graduated May 22, 1958.

SNEAK DAY

On a rather cool and windy day the nine Seniors left the school house at 6:30, we were supposed to leave at 6:15, but Lee had a little trouble in getting awake. Ruby Jo and Harlie and Dale took their cars. We arrived in Wichita at 8:00 and went out to Boeing, here we had a guide who showed us around one of the plants. We asked lots of questions, some of them were answered and some were not! From Boeing we went to visit the Frontier Chemical Company, here also we had a guide around the plant and a photographer who took our pictures! Next we went to the Wichita Police Department, (now don't get the wrong idea), here we also had a guide who showed us around the building.

After our tours of the morning we were all ready for a big dinner, so we went over to the Forum Cafateria and ate. The boys went bowling and the girls went shopping, and of course spent all of their money.

We had made plans to go to the National Juco Tournament at Hutchinson, so we drove to Hutchinson, but when we got there we decided we would rather go bowling. So we ate our supper and bowled two games in Hutchinson. For some of the boys this made a total of five games of bowling.

We left Hutchinson about 9:30, a tired but happy group of Seniors, and arrived in Pratt in time to have an ice cream cone and chocolate malt.

SENIOR TRIP

The nine seniors and their five sponsors, Mr. and Mrs. George Freeman, Mr. and Mrs. Harlie Rose and Mr. Larry Neelly left Cullison early Saturday morning, May 24. The first night was spent at Salida, Colorado. The group went swimming in the heated swimming pool there. On May 25, they went to Price, Utah and spent the night. Leaving early May 26, they arrived in Salt Lake City about noon. The Mormon Square, Salt Lake and Copper Mine were visited that afternoon. A long drive to Reno was on the agenda for May 27. May 28 and 29 the group spent in San Francisco. They visited many points of interest there.

After leaving San Francisco they drove up the coast staying at Garberville, California on May 30, before going into the redwoods on May 31 and staying that night at Crescent City, California. The night of June 1 was spent at Newport, Oregon. The next day they drove over the Columbia River and stayed at Prinnville, Oregon.

The night of June 3 was spent at Twin Falls, Idaho. On the morning of June 4, the group left early on their way to West Yellowstone. All day June 5 was spent at Yellowstone and that night they stayed at Jackson, Wyoming. They went from Jackson to Steamboat Springs on June 6. The last night of a very wonderful trip was spent at Denver. On June 8 they were homeward bound.

JUNIOR-SENIOR BANQUET

The Junior-Senior Banquet was held May 3, 1957. We decorated in a western theme, "The Last Roundup." The south half of the gym was lined with a low brick wall with a place built in for the bar of the "Silver Dollar Saloon." Here at the "Silver Dollar Saloon" the couples got their punch between dances in the patio.

In order to go from the patio to the eating area, one had to pass through a high rail gate. This gate was the outlet from the corral in which we ate. The corral fence was made out of "honest to goodness" posts. The corral was complete with a windmill, and painted tumbleweeds and stars were for the ceiling. The north wall was covered with a wall of a log ranch house and the scenery behind it, painted by Herman Oglesby.

The tables in the corral were covered with cherry red and white checked tableclothes. There were favors for each person of cowboy boots.

The Sophomores served the meal all tagged out in western duds. Our mothers cooked the meal.

MEMORIES OF MUSICAL ACTIVITIES

The Cullison Music Department has been quite active this year. It has played an important part in all school functions.

The band started off the musical preceedings for the year by high-stepping and smart strutting at the Kansas State Fair. They also performed at four high school football games.

As the fall went by and football gave way to basketball, the music department kept right up with the times. A concert was given in November, and the Christmas program in December, presented by the entire music classes was a beautiful production.

The band played at several basketball games. Each month, starting in November, the music department gave concerts. These included instrumental and vocal groups.

The vocal festival in November and the instrumental festival in February were just a few of the highlights for the music department.

The monthly concerts were a great success and were well received by the public. The concerts gave the students confidence in playing before the public, and it also gave them a goal to strive toward every month.

The contest in March was the last performance for all groups. The students did themselves proud at the contest. Their hard work throughout the year brought them to their peak as they tied or bettered the other schools of the league, in the rating.

The music department closed up shop for the year after providing music for the graduation exercises.

The students in music deserve a lot of praise for the things they accomplished. Thanks should also go to the parents who showed a tremendous interest in the musical activities of their young people.

SPEECH AND DRAMA

The speech class presented two one-act plays in the high school auditorium January 2, 1958. The drama "Thunderhead" by Mark R. Summer, and the comedy, "Oh, Baby" by Le Roma Rose, were directed by Mrs. Leota L. Alkire.

In the Skyline League One-Act Play Festival, October 1957, the Cullison players earned a I rating with the play "The Bond Between". All plays with a I rating may enter the district festival. Mumps prevented the Cullison presentation in the district contest.

Entered in the District Speech and Drama Festival at Dodge City, March 22, were: Tonya Henry, a humorous reading, "To Win Or Not To Win", rating I; Jerrlea Johnson, original oration, "The Heart In 4-H", rating II; Jerrlea Johnson, informative speech, "Mental Health, rating I; Larry Holmes, manuscript reading, rating I; Dallas Wilhelm, manuscript reading, rating III; Dennis Davis, informative speech, rating III.

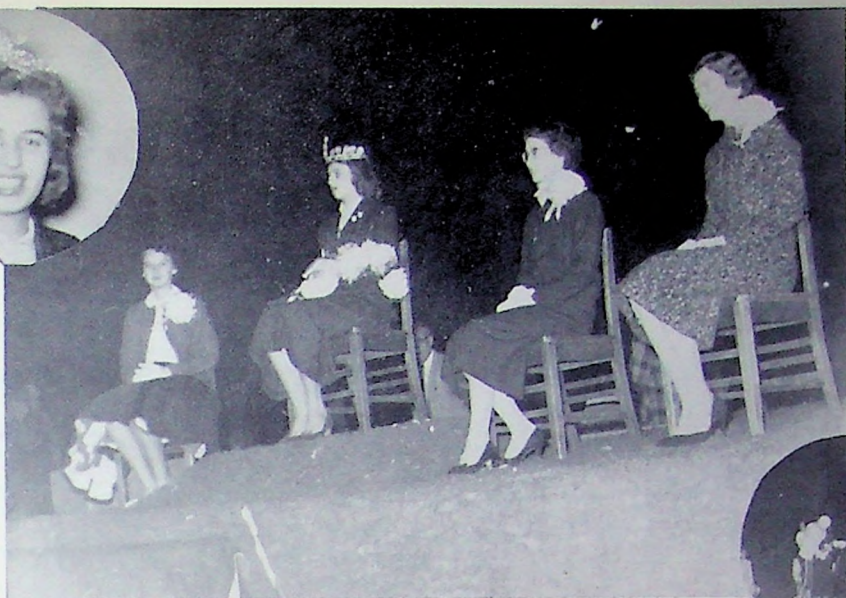

Entered in the State Speech and Drama Festival at Dodge City, April 12, in the same categories were: Tonya Henry, rating I; Jerrlea Johnson, rating II; Larry Holmes, rating II.

KAYETTES

The Kayette Club of 1957-58 had a membership of fifteen girls and two sponsors--Mrs. Freeman and Mrs. Kopper. The officers were as follows: Judy Brown--President, Nancy Hall--Vice President, and Linda Mills--Secretary Treasurer. Each Kayette had a special committee on which they served. Regular meetings were held every other Wednesday afternoon.

Some of the major projects undertaken during the year were: selling Christmas cards, collecting for the March of Dimes, contributing to the Meals for Millions and CARE, directed a Christmas assembly, sponsored an all school party, made Easter tray favors for the hospital, sent old nylon hose to Japan, cleaned lockers, polished trophies, stained and polished the piano, hid Easter eggs for the lower grades, and sponsored class night.

The entire club attended the Union Conference at Pretty Prairie on January 29. The girls feel they profited from this year in Kayettes.

"GOAL LINE STAND"

Now it is time for you to "MEET THE OWLS" of the 1957-58 athletic season. We have several returning lettermen, and featuring these are the Seniors boys. Dale Cowen, a 5 feet 8 inches, three year letterman in football, was back and very soon to become an 11 sport letterman in his very colorful high school career. Dale was a starting guard on this years basketball team and also a very fine Captain.

Lee Bryant was another outstanding senior who lettered four years in both football and track. Lee played a fine guard position on this years basketball team and helped out on the post in needed times. Lee was also Co-captain with Dale during the football season. It might be added at this point that being captain in football is much tougher than any other sport as he must make the decisions without help from anyone.

Phil Baker, our hard luck kid of the 57-58 season started off with a fine football season when he made many fine catches at his left end position. Phil met with injuries during the basketball season and yet turned in a fine performance in the Greensburg game in which Cullison emerged the victors.

LeRoy "Butch" Winklepleck was the workhorse of our football team and one of the better blocking backs in the Skyline League. LeRoy played guard on the B team during basketball season and here he worked with the same enthusiasm as he displayed on the gridiron.

Tom Frazier was out big boy of the football team who made many yards with our "over the center" pass and plugged a big gap on the defensive line. Tom was our center on the B team during the basketball season and turned in many fine performances.

Klenton Toothaker the tackler of our football team and a fine forward on both the A and B team in basketball made many contributions to our teams. Klenton has very fast hands and this enabled him to bother the defense frequently and as a result we got several cheap baskets. Klenton is also a very outstanding student as are all our seniors boys listed above. We wish the best of luck to you boys as athletes and students.

Our Junior football player, who also lettered in B team basketball, was John Hatfield. Our Junior Class is rather short as John was the only boy who participated in athletics. How about recruiting a couple John?

The Sophomores provided us with several outstanding boys, one of which was Richard Jantz. Rich was chosen as player of the week by the Pratt Daily Tribune for his outstanding play during the Owls late season drive. Richard should develop into a very fine guard in the 58-59 Skyline League play.

Another fine athlete from the class is Richard Van Hoozier. Richard runs a very good quarter on our track team, and also played some very good football games.

Dallas Wilhelm Jr. really came along during basketball season and next year Dal should be a very fine basketball player and a good runner on the football team. He also runs a 220 on our Medley relay team. This guy really has a stride!

Don Winklepleck, or as most of the fellows call him, "assistant", was our trainer during football season. A shining personality and wonderful attitude makes Don very able to handle all situations which may arise. He is really handy in preparing for a trip to another school. Thanks a million "assis."

Dennis Davis, who played center this fall, will be our "big" man next year. Dennis plays a fine game of football and should really be a help. He also played on the "Owls" B team, which had a very successful season.

Larry Holmes, who had never participated in athletics, came out for basketball this year and made lots of improvement. Larry should play quite a bit on the B team next season.

And now to our freshman class which consists of such boys as Lyndel Vering. Lyndel developed into an excellent forward and should provide us with frequent corner shots next year. He is a 220 man on our freshman relay team. Lyndel has a very fine attitude and this is really an asset in the game of basketball.

Thad Henry is our starting post man on the Owls round ball team. Thad came along fine this year and should be an outstanding center when hoop time rolls around next December.

Frank Briney has progressed more in one year than seemed possible. When these boys start growing they really move out. Frank should help out next years Owls at the guard position. He also runs a 220 on the freshman relay team.

Alan Leak, who has finally started growing, should be a fine guard. Alan has exceptionally fast reflexes and stays calm during the storm of tight ballgames. He will be our playmaker on the Owls fast breakers in the 58-59 basketball season.

Roger Rose our track man has excellent possibilities of becoming a fine miler. Roger loves track and likes to run. These things are very essential in becoming a track star. He also is a member of the freshman 880 relay team.

Forest Covey, another of our outstanding freshman, has participated in football, basketball, and track. With this years experience in football, Forest should be ready to help the Owls in the pigskin sport next fall.

We were very sorry to see Steve Mills move away. Steve was an excellent runner in football and also lettered in basketball. We wish you the best of luck, Steve.

--Larry Neelly
